Subject: RE: HDOA Draft Agreement Status
Attachments: Earthjustice EPA LAST draft resolution 2 19 2019.docx

Please see the updated agreement which includes the changes based on last week's conversation with Delanie. Please let me know if you have any comments. I would like to get this back to Delanie no later than this Thursday if possible. Not much has changed since our last team discussion.

Thanks!

Subject: HDOA Draft Agreement Status

Update-

Jeryl and I have worked on and shared with HDOA an updated version of the draft IRA based on last week's conference call with the investigation team. Subsequently, Jeryl and I spoke with Delanie (HDOA) yesterday afternoon to walk through the recommended changes and to find out additional information about ADC's current stance on moving forward with an informal resolution. Overall, the call went very well and she is anxious to come to an agreement that is ready for signatures. I am currently waiting for some additional information from Delanie to be added to the draft before I recirculate the new version to our group.

In regards to ADC, Delanie mentioned that she has been in communication with Andrew Goff (ADC) and has shared with him the different iterations of the HDOA draft IRA as a sample. She also mentioned that there is supposed to be a senate confirmation hearing this week to appoint a new director for ADC, but was not sure about the name. I asked her whether HDOA's Acting Chair, Phyllis Shimabukuro-Geiser would oversee ADC similar to the previous HDOA Chair and she stated that the Chair's role would be to act as an ex officio member for the ADC board. Based on that part of the discussion, it does not seem that the Acting Chair will "oversee" ADC. I have conducted some online research, but have not found a new name for who is being considered for the ADC lead.

Delanie did share the name and contact information of Andrew Goff's supervisor, whose name is Brian Yee. Let me know if you would like for me to reach out to the supervisor, or Dale- if you prefer to take the lead on that contact.

I hope to share the updated draft this week. Let me know if you have any questions.
